

BearClaw

**THE LATEST IN
BALE-SHREDDING**

BearClaw

The all-new BearClaw Bale Processor is a bale shredder and blower unlike other bale processors. One of the BearClaw's most note-worthy features is it's absence of knives. No more sharpening knives when you should be in your barn bedding your cows. The BearClaw utilizes a nifty hook and screen setup to provide a long lasting shredding system.

- Removable Screens: 2", 3", or 4"
- Top or Bottom Discharge
- 360° Top Discharge Radius
- All Wheel Steer
- All Wheel Drive
- Power Steering
- Hydrostat Drive
- 2 Tire Sizes Available
- Water Applicator for Dust Control
- Kubota Deisel 65hp Turbo
- Can Accommodate 3' x 3' x 8' or 3' x 4' x 8' Bale Sizes with 16" extension
- Clean Fix Fan – Auto Cleaning Set at 5min Intervals
- Width: 52", Length: 11'6", Height: 68"

The BearClaw's all wheel steering function gives it a very short turning radius of only 5 feet.

Intelligent console design for ease of speed and control.

Steel hooks require no sharpening and shred bales quickly and efficiently.

Removable screens allow you to fine tune your length of cut.

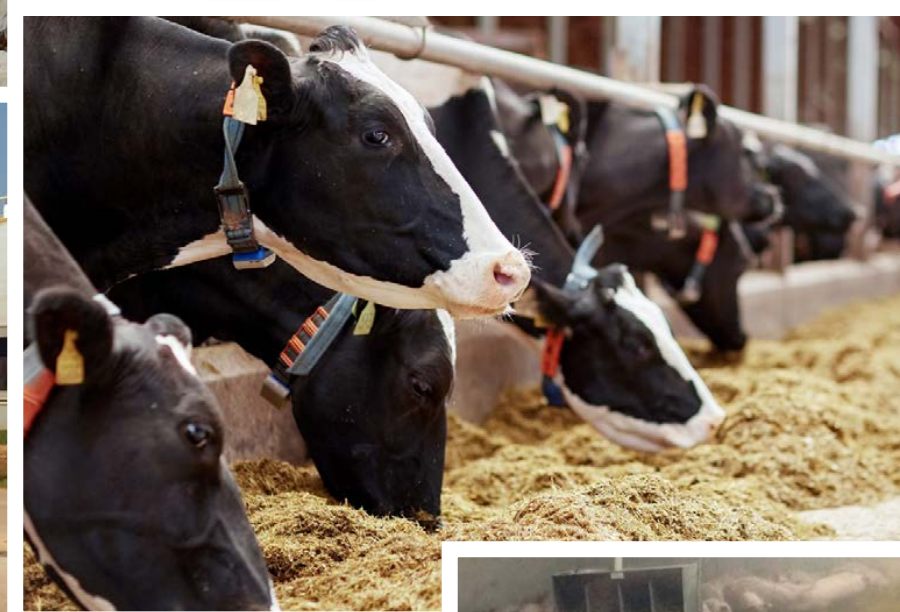

Bottom discharge chute for lower distribution.

Utilizing the top blower chute, the BearClaw can blow shredded straw up to 50 feet.

No knives to sharpen! Hardened steel hooks and shredding screens provide a low maintenance cutting system.
